

UMore Park Background

- Used by Federal Government during WWII for smokeless gunpowder production - Gopher Ordnance Works
- Acquired by UMN in 1947/1948
- Used by U for research and outreach purposes, some leasing to third parties
- 2008 - U adopted a master concept plan and vision for a sustainable, modern, U-founded community.
- 2015 - U pivoted from 2008 vision - adopted a market-driven approach to development. U will not play direct role in development. U to sell land to private developers in alignment with City land use plan
